

### Power Africa Conference 2022 Exhibition opportunity

With average annual attendance of close to 350 from over 30 countries, the Power Africa Conference has been held eight times since its inception in 2007 as a flagship conference in Africa for the Power & Energy Society (PES) and Industrial and Applications Society (IAS) under the Institute of Electrical and Electronics Engineers (IEEE) – the world’s largest technical professional society, designed to serve both professionals and students involved in all aspects of science and technology that underlie modern civilization.

**Dates of Exhibition: 23<sup>rd</sup> to 25<sup>th</sup> August 2022**

**Venue: Carnegie Mellon University Africa campus lower building – Special Economic Zone**

**Exhibition amount for the 3 days: 300USD** (includes 3x3meter exhibition space, 1 table and 2 chairs and 1 exhibitor pass. The space set-up is excluded and shall happen on August 22, 2022).
